

HUDSON
RIVER

Hudson River Estuary

The Verrazano Narrows Bridge

The mouth of the Hudson River

You can see the Hudson River go around Manhattan.

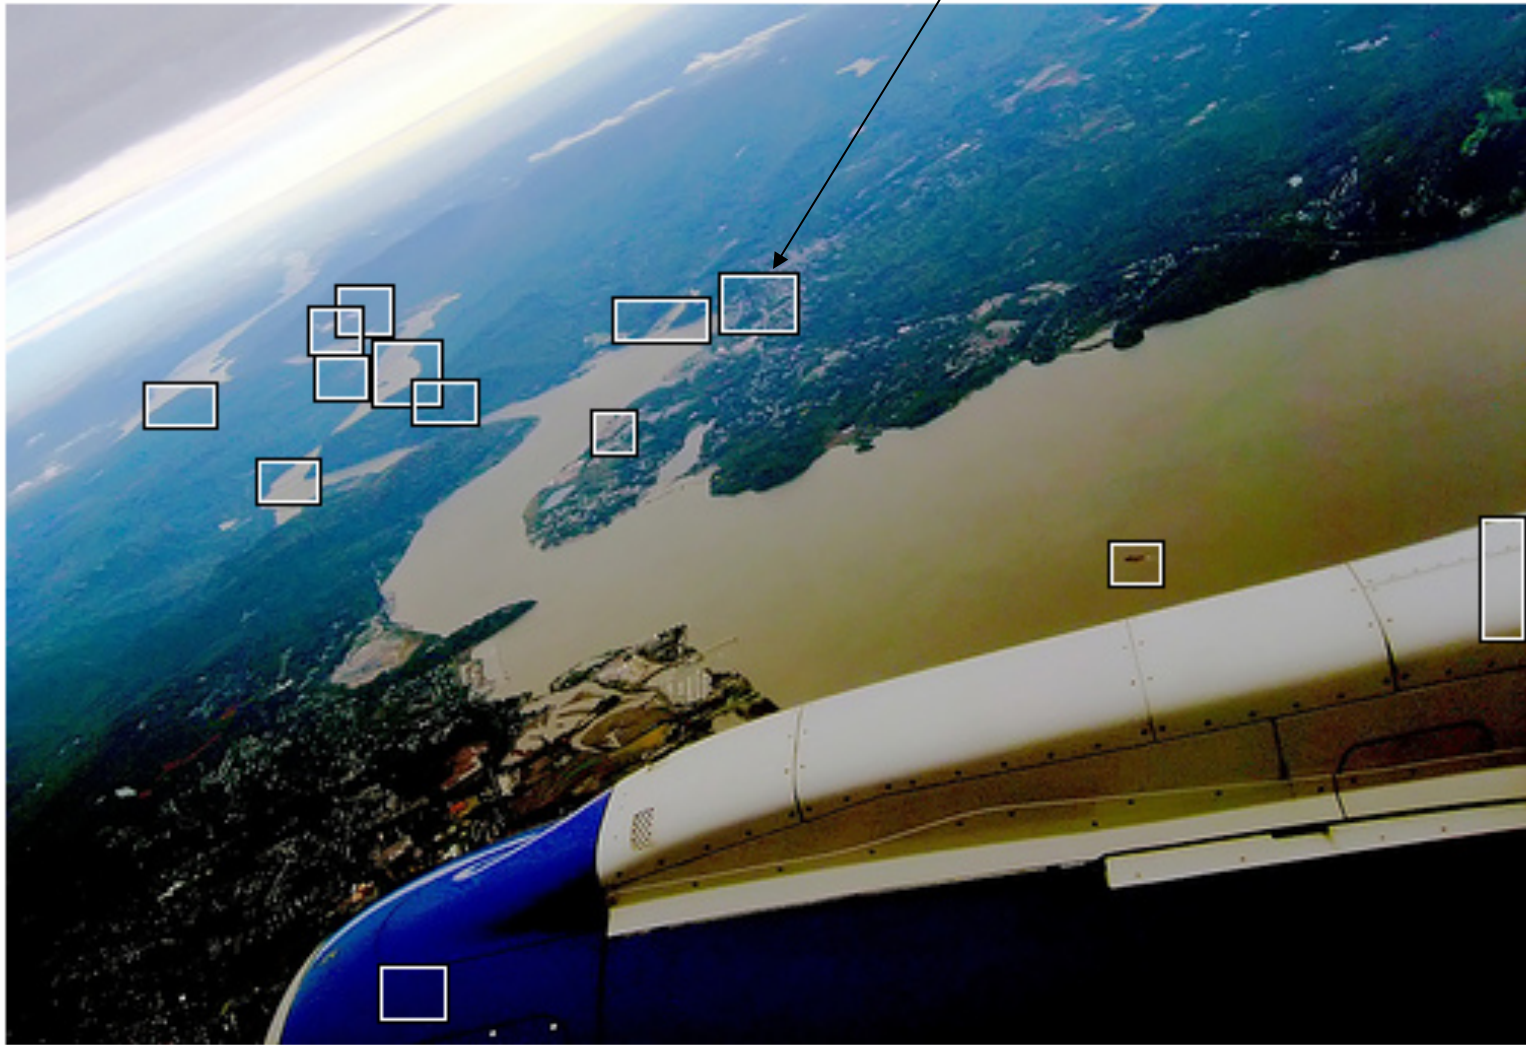

The Hudson River as it flows past Manhattan

View of George Washington Bridge. Picture was taken at edge of wall off the Hudson River in Riverdale, New York. Photo was taken on Saturday July 21, 2007.

Peekskill, NY

A view of the Hudson from an airplane!

The Hudson river in Coxsackie, NY

The Hudson River from Peekskill, Aug. 2006

Can you imagine what Henry Hudson saw in 1609?

Hudson River - West Point, New York

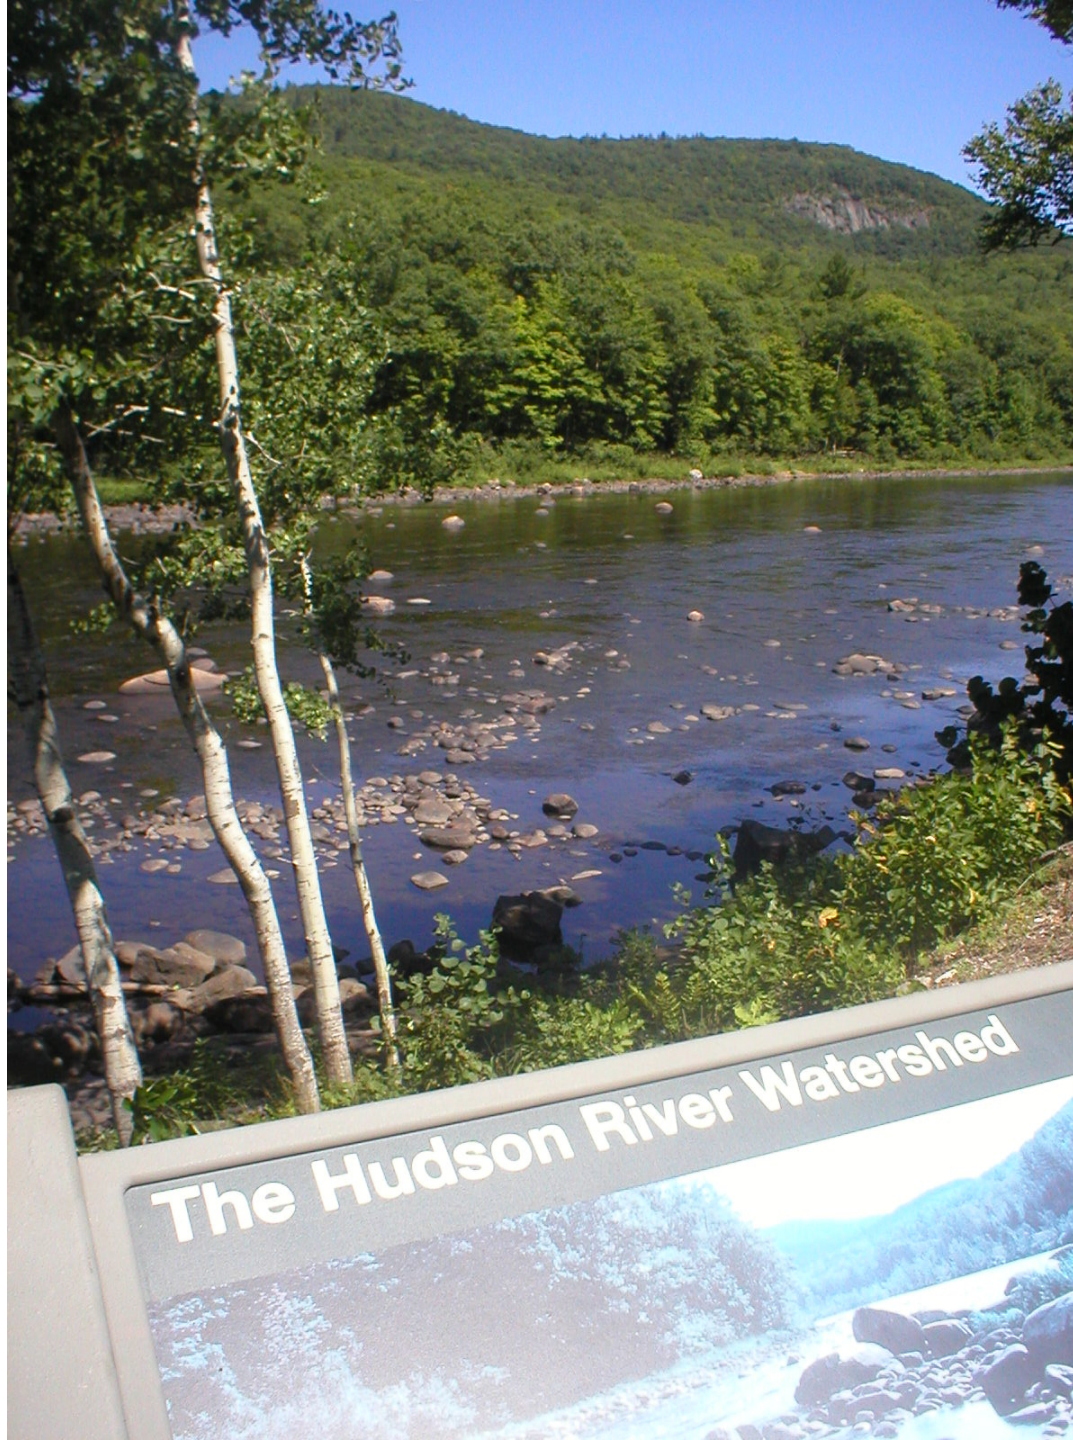

A view of the Hudson River from Boscobel Restoration in Garrison, NY.

Another view to help you imagine what Hudson saw in 1609

Does this
look
like the
Hudson you
saw in New
York City?

Can you believe this is
the same river?

The Hudson River
flowing between the
Adirondack Mountains.

Taken from the car window, crossing the Hudson river in the Adirondack mountains.
